June 2019

At our May meeting we appointed our new executive. The new executive consists of Bob Durrant President, Dan Horne Past President, Rob Morrison Vice President, Doug McGarvey Secretary Treasurer, Linda Huggins and Carol Casselman as Directors and Rob Durrant Editor. Non executive appointees are June Carpino Kitchen Coordinator, Peter Marcucci as Greeter and Auctioneer and Bill Beattie and Jim Jefferies as Auditors.

Honourary Lifetime were awarded to Dan Horne, Ken and Linda Huggins and Jim Jefferies. Dan, Ken and Jim are all past presidents and Linda has served as Secretary Treasurer since 2001.

We also voted in a constitutional amendment requiring anyone standing for an executive position to be a member for at least one year. The vote for amending the constitution to split the position of Secretary Treasurer was not taken as the nominee indicated he would take the position as is.

Member Bob Browne gave a presentation about Emanuel Hahn on 8 May at the Orillia Museum of Art and History (OMAH). Also speaking at the event was local artist and coin designer Tony Bianco. You can read about it in the [Canadian Coin News](#) by clicking or tapping on the photo if you are reading this on a computer or other device.

The Champlain Coin Club was well represented at the North York Coin Club Annual Coin Show in Toronto. Four members including myself had a sales table set up in the bourse. Other members made a good showing as Bob Ripley, Cindy and Roger Sherman Chris Liantzakis and Derrick Del Castilho, all visited our table.

Our next meeting is Thursday, 6 June 2019.

This will be last meeting until September and will be a regular meeting. Doors will open at 7:00 and the meeting starts at 7:30. The June meeting will be a planning session for next year, hopefully an educational video or presentation and an auction.

The June meeting will be your last opportunity to submit your coins for ICCS grading to Bill Beattie. The cost per coin to be professionally graded is about \$7. An ICCS Service Request form is included with this bulletin as either an email attachment or hardcopy depending on how you receive it.
